Process

1 Purpose

- 1.1 This procedure covers all Student Officers including those who are part of the Degree Holder Entry Programme, those undertaking a Police Constable Degree Apprenticeship and Inspectors and Superintendents participating in the Inspector and Superintendent Direct Entry Programmes whilst they are within their probationary period, as defined in Regulation 12 and 13 of the Police Regulations 2003 (the Regulations) and Annex C of Regulation 12. Regulation 13 can only be instigated prior to confirmation of successful completion of probation of any of the aforementioned.
- 1.2 The probationary period of a Student Officer will normally be no less than 2 years. The probationary timescale for those undertaking a Police Constable Degree Apprenticeship will normally be 3 years. The probationary timescales for Direct Entry Superintendents and Inspectors are described in Annex C of Regulation 12.
- 1.3 For the purposes of this procedure 'Student Officer' is used to cover any officer within their probationary period and includes all those listed in section 1.1.

- 1.4 This procedure sets out the process North Yorkshire Police will use for a Student Officer to be discharged at any time, as stated in Regulation 13;

‘If the chief officer considers that he / she [the Student Officer] is not fitted, physically or mentally, to perform the duties of his / her office, or that he/she is not likely to become an efficient or well conducted constable.’

- 1.5 This procedure may be used to address, for example,

- Unsatisfactory performance
- Unsatisfactory academic development
- Unsatisfactory attendance
- Undisputed misconduct. Prior reference should be made to Professional Standards Department prior to the use of this procedure for conduct issues

In cases of:

- alleged serious misconduct or
- misconduct if the facts of the case are disputed by the Student Officer

The Police (Complaints and Misconduct) Regulations 2020 will apply.

- 1.6 If there are any concerns regarding a Student Officer’s performance, academic progress, attendance or conduct, line management, the Professional Development Unit, (PDU), Sergeant or Operational Training representative (if the Student Officer is still within initial training) should take action in as timely way as possible as outlined in the following sections. Advice is available from People Services and Professional Standards Department if needed.

- 1.7 North Yorkshire Police acknowledges that Student Officers are entitled to make a Protected Disclosure as defined by current legislation and to not suffer any detriment as a result of making that disclosure. However, a disclosure does not confer immunity from action in respect of any other aspect of the individual’s performance or behaviour, for example if they were involved in the misconduct they reported, or any other misconduct. It is a matter for the force as to whether an officer’s actions in coming forward with information should be considered as a mitigation for any performance or conduct issues.

2 Supportive action

- 2.1 There is a clear expectation that all Student Officers will successfully complete all relevant Courses and modules associated with their probation. If there are concerns regarding a Student Officer’s performance, academic progress or attendance, these should initially be managed through informal supportive action. Cases of undisputed misconduct may, depending on the severity, be addressed through supportive action, following reference to Professional Standards Department. For cases of undisputed misconduct, a case conference should be held between the appropriate parties. These may include but are not

limited to: Professional Standards Department, People Services, Professional Development Unit and line management.

2.2 There are some exceptions to section 2.1. These are:

- Failure to pass initial training knowledge checks. There will be a final knowledge check covering material from the whole initial course. The purpose of this is to establish that each Student Officer has the requisite level of knowledge to carry out accompanied patrol under the guidance of a Tutor Constable. Should a Student Officer fail the final knowledge check, they will be given the opportunity to retake it
- Failure to pass the initial Job-Related Fitness Test or Officer Safety Training following two attempts
- Other substantial concern regarding a Student Officer's attendance, performance during initial classroom training
- Failure to achieve academic standards despite prior supportive action from the Student Officer's academic provider
- Other substantial concern for which supportive action is not appropriate
In these instances, the procedure may be commenced at Stage 1 (see section 3)

2.3 Aside from the circumstances covered by section 2, where concerns arise, the Line Manager, PDU Sergeant or Operational Training team representative if the Student Officer is still within initial training, will meet with the Student Officer to:

- Explain why they consider performance, academic progress, attendance or conduct to be unsatisfactory
- Explore any underlying reasons why the Student Officer is not able to meet the standards required
- Discuss ways of bringing performance, academic progress, attendance or conduct up to the required level
- Ensure that the Student Officer understands the standards required and when these need to be achieved by

2.4 A record of the discussion can be made in Origin PDR. Agreed actions should be recorded either by adding specific supportive objectives to Origin PDR, or by including an objective to complete a supportive plan.

2.5 Line management, the PDU Sergeant/Operational Training team representative should monitor the Student Officer's performance, academic progress, attendance or conduct and provide timely feedback.

2.6 The supportive measures should be reviewed as agreed at the outset and a decision made on the way forward. If progress is satisfactory, the supportive plan/Origin PDR should be updated to show that the objectives have been successfully completed.

2.7 If the Student Officer is not able to satisfactorily complete the supportive plan, a Stage 1 case conference will be arranged.

3 Stage 1 - Case Conference

- 3.1 Where, despite informal supportive action, progress is not satisfactory, or under circumstances as detailed at 2.1, a case conference should be held.
- 3.2 The Student Officer will be given a minimum of 5 working days written notice of the meeting. The written notice will include;
- Date, time and venue of the meeting
 - Confirmation of the meeting Chair and the others who will be present
 - The matters to be discussed
 - Any documentation to be relied on
 - The option to be represented by a Police Federation representative or to be accompanied by a colleague who is not acting as a legal professional
 - The potential outcomes of the meeting:
 - Recommendation to the Head of People Services/nominated member of the People Services SMT to progress through to Stage 3, which may ultimately result in a decision by the Chief Constable to dispense with their services (this should only be used for those instances identified in 2.1)
 - Recommendation to the Head of People Services/nominated member of the People Services SMT to extend the probationary period with a supportive plan
 - Implementation of a supportive plan
- 3.3 The case conference will be chaired by the PDU Sergeant or their line manager as appropriate and will also be attended by; the Student Officer, together with; PDU representative (Student Development Officer), their tutor and a representative from People Services, as appropriate. If the Student Officer is still within initial training, the meeting will be chaired by an Operational Training team representative.
- 3.4 The purpose of a case conference is to:
- Assess performance, academic progress, attendance or in some instances conduct, where appropriate and examine all relevant documentation
 - Give the Student Officer the opportunity to explain why they are not reaching the required standards
 - Give interested parties the opportunity to discuss areas of concern and offer any possible remedies to rectify these with those in attendance at the case conference. Potential remedies which it may be appropriate to consider include; further training/re-tutoring, double crewing, mentoring, attachments, supportive measures, including liaison with academic providers where applicable to assist the Student Officer in dealing with personal issues, or supportive measures to assist their return to work , for example, Recuperative Duties
 - If a Student Officer has a medical condition/disability which may be affecting their performance, attendance or conduct, advice can be sought from the Health & Wellbeing Team. In the case of a disability, reasonable adjustments, for example, adjustments to the physical working environment or to the way the work is organised, will be considered, and discussed

- If appropriate allow all relevant parties to formulate a supportive plan with timescales to address areas of concern. The duration of the supportive plan should be appropriate to the circumstances of the case but would not normally be expected to exceed 3 months. It may be deemed necessary to implement a support plan for a shorter duration, dependent upon the Student Officer's learning pathway
- Ensure that the Student Officer fully understands the issues and if applicable what is required of them including timescales
- Ensure Student Officers are made aware of support networks available to them

3.5 If the outcome is progression to Stage 3, the Chair of the meeting should then forward a full report to the Head of People Services/nominated member of the People Services Senior Management Team. The report should include;

- The Student Officer's level of performance/academic progress/attendance or conduct to date, clearly highlighting the issues
- Actions taken and discussions held to assist the Student Officer to be able to achieve the standards required, if applicable
- The results of any supportive action or supportive plans (operational or academic) together with the supporting documents, if applicable
- Recommended way forward with supporting rationale
- Comments from the Student Officer and any Federation representative

A copy of the report and any supporting papers should also be given to the Student Officer and any Police Federation representative.

3.6 The Student Officer should be informed that they can make comment upon those reports. The Student Officer's response should be sent from either the Student Officer or through a Police Federation representative, to the Head of People Services/nominated member of the People Services SMT.

3.7 If the outcome includes a supportive plan, it should be prepared at the case conference and written up within 7 days of the meeting. The original copy should be signed by the Student Officer and the Chair of the case conference. A copy should be given to all attendees and the original should be retained by the meeting Chair. An objective to successfully complete the plan should be recorded in Origin PDR. A copy of the notes of the review meeting will be provided to the Student Officer and their representative.

3.8 Review of progress against the supportive plan will be monitored by the line manager, PDU Sergeant/Operational Training team representative who should ensure that timely feedback is provided to the Student Officer and is documented.

3.9 At the end of the development improvement plan period, the PDU Sergeant/line manager/Operational Training team representative as appropriate and Student Officer will have a review meeting. The outcome may be;

- The supportive plan is achieved,
- The supportive plan is not achieved, and the case will be progressed to Stage 2 (see section 4)

- A short extension to the supportive plan (where there has been substantial but not quite sufficient improvement). In this event, the Student Officer should be made aware of the remaining improvement required and when the extended plan will be reviewed.

4 Stage 2 - Formal Review Meeting

4.1 Where, despite support, the Student Officer has not achieved the required standard, the PDU Inspector or second line manager as appropriate may arrange a Stage 2 meeting. If the Student Officer is still within their initial training, a Learning & Development Manager will consider the way forward.

4.2 The Student Officer will be given a minimum of 5 working days written notice of the meeting. The written notice will include:

- Date, time and venue of the meeting
- Confirmation of the meeting Chair and the others who will be present
- The matters to be discussed
- Any documentation to be relied on
- The potential outcomes of the meeting:
 - Recommendation to the Head of People/nominated member of the People Services SMT to progress through to Stage 3, which may ultimately result in a decision by the Chief Constable to dispense with their services
 - Recommendation to the Head of People Services/nominated member of the People Services SMT to extend the probationary period with a supportive plan
 - Extension of the existing supportive plan
 - No further action
- The option to be represented by a Police Federation representative or to be accompanied by a colleague who is not acting as a legal professional

4.3 The Stage 2 meeting will be chaired by the PDU Inspector or second line manager as appropriate and will be attended by; the Student Officer, together with; their line manager, their tutor, the PDU Sergeant and a representative from People Services, as appropriate. If the Student Officer is still within initial training, the meeting will be chaired by an Operational Training team representative.

4.4 The Chair of the meeting will outline the concerns and will provide the Student Officer with the opportunity to provide further information regarding their case. The Chair of the meeting will then inform the Student Officer of the outcome of the meeting from the options available as shown in section 4.2.

4.5 If the outcome of the Stage 2 meeting is recommendation to Stage 3, or extension to probation period, the Chair of the meeting should then forward a full report to the Head of People Services/nominated member of the People Services SMT. The report should include;

- The Student Officer's level of performance/academic progress/attendance or conduct to date, clearly highlighting the issues

- Actions taken and discussions held to assist the Student Officer to be able to achieve the standards required

- Comments from the Student Officer and any Federation representative

A copy of the report and any supporting papers should also be given to the Student Officer and any Police Federation representative.

- 4.6 The Student Officer should be informed that they can make comment upon those reports. The Student Officer's response should be sent from either the Student Officer or through a Police Federation representative, to the Head of People Services/nominated member of the People Services SMT.

5 Stage 3 – Final Review Meeting

- 5.1 Upon receipt of the report from:

- the Chair of the Stage 1 or 2 meeting, or,
- the Student Officer's line management or PDU following a review of a supportive plan put in place as a result of a previous Stage 3 meeting
- the Student Officer's line management or PDU following consultation with Professional Standards Department on a matter of undisputed misconduct

A member of the People Services SMT, will arrange for a Final review meeting to take place to discuss the evidence presented.

- 5.2 The review meeting will be chaired by the appropriate Senior Operational Commander who will be accompanied by a People Services representative to advise on proceedings. If the Student Officer is a Direct Entry Inspector the Stage 3 meeting will be chaired by an Assistant Chief Constable. If the Student Officer is a Direct Entry Superintendent, reference should be made to section 5.8.

- 5.3 The Student Officer will be given a minimum of 10 working days written notice of the meeting. Written notice of the meeting will include;

- Date, time and venue of the meeting
- Confirmation of the meeting Chair and the others who will be present
- The matters to be discussed
- Any documentation to be relied on

The Student Officer/Federation Representative should submit details of any supporting evidence or documentation they wish to be considered by the Chair of the Stage 3 meeting, no later than 5 working days prior to the date of the meeting. This is inclusive of any questions they may wish the Chair of the Stage 3 meeting to consider ahead of the meeting, which may also influence the composition of attendees at the Stage 3 meeting.

- 5.4 Those invited to the review meeting will be the Student Officer, and may include; their line management, their tutor or Student Development Officer, the PDU Inspector or Sergeant, a representative of the Operational Training team and any other individual deemed appropriate by the Chair of the Stage 3 meeting.

- Recommendation to the Chief Constable for consideration of dispensing with their services under Regulation 13
 - Recommendation to the Head of People Service/nominated member of the People Services SMT to extend their probationary period with a supportive plan
 - Extension of the existing supportive plan
 - No further action

If necessary, the Stage 3 meeting may be adjourned to enable the Chair of the Stage 3 meeting to gather any further information required before determining an outcome.

- 5.6 Where the outcome of the review meeting is anything other than recommendation to the Chief Constable for consideration of dispensing with their services under Regulation 13, this will be confirmed in writing to the Student Officer and their representative. In all cases, a copy of the notes of the review meeting will be provided to the Student Officer and their representative.
- 5.7 Where the outcome of the Stage 3 review meeting is to extend probation, a supportive plan will be put in place and the Student Officer's progress will be monitored. Prior to the end of the extension period, the line manager /PDU representative will hold a review meeting with the Student Officer to either confirm that the plan has been successfully completed or, in the event that the Student Officer has failed to achieve the required standard, to prepare a report for a further Stage 3 meeting which will then be convened.
- 5.8 In the event that the Student Officer is a Direct Entry Superintendent, the Stage 3 meeting will be chaired by the Chief Constable who will determine the outcome, including any decision to discharge the officer.

6 Extension of Probationary Period

- 6.1 An extension to a Student Officer's probationary period may be considered at any time, dependent on the circumstances of the individual case. Examples of reasons for extension could be unsatisfactory attendance, performance or academic progress. Any extension should be made in good time as if a Student Officer's probation is not extended prior to the expiry of the original probationary period, the Student Officer will be deemed to have satisfactorily completed their probation.
- 6.2 The Head of People Services (or a nominated deputy) has delegated authority from the Chief Constable to determine the extension of probationary periods for Student Officers under the Police Regulations.
- 6.3 If it is considered necessary to extend the probationary period of a Student Officer, the line manager or PDU Sergeant as appropriate will write a report to the second line manager/PDU Inspector as appropriate. The report should include;
- The Student Officer's level of performance/academic progress/attendance or conduct to date, clearly highlighting the issues
 - Actions taken and discussions held to assist the Student Officer to be able to achieve the standards required
 - The results of any supportive plans together with the supporting documents
 - Recommended way forward with supporting rationale

If the PDU Inspector/second line manager wishes to recommend an extension to the Student Officer's probation, they should provide a full report including their recommendations and supporting rationale, to the Head of People/nominated member of the People Services SMT.

- 6.4 The Head of People Services (or their nominated deputy's) decision will be confirmed in writing to the Student Officer within 5 working days.
- 6.5 A Supportive plan will be put in place which will outline the standards the Student Officer is expected to achieve and sustain. The plan will be monitored by their line manager and PDU Inspector as appropriate. Prior to the end of the extension period, the line manager /PDU representative will hold a review meeting with the Student Officer to either confirm that the plan and probation have been successfully completed or, in the event that the Student Officer has failed to achieve the required standard, to prepare a report for a Stage 2 meeting which will then be convened. In the event that the extension to probation was made following a previous Stage 3 meeting, a Stage 3 meeting will be arranged.

7 Discharge of a Student Officer

- 7.1 If the Student Officer is a Direct Entry Superintendent, reference should be made to section 5.8 above. For all other Student Officers where the recommendation is that the Student Officer's services are dispensed with under Regulation 13, a report will be forwarded to the Chief Constable by the Chair of the Stage 3 review meeting giving the rationale for the recommendation.

- 7.2 If discharge of the Student Officer is recommended by the Chair of the Stage 3 meeting, at any stage, and whilst awaiting a decision from the Chief Constable, the Student Officer will not be allowed to perform operational duties. It will be the responsibility of the line manager or PDU Inspector in consultation with the local Chief Inspector to decide how the Student Officer should best be deployed during this period.
- 7.3 With the exception of a Direct Entry Superintendent (see section 5.8), the Chief Constable's decision will be made based on a review of the papers and the recommendation from the Chair of the Stage 3 meeting.
- 7.4 The decision of the Chief Constable will be provided to the Student Officer and their Federation Representative, within 5 working days of the review meeting. This will be confirmed in writing to the Student Officer, with a copy to their Federation representative.
- 7.5 Where the Chief Constable decides that the Student Officer's services will be dispensed with under Regulation 13, the Student Officer will be given one month's pay in lieu of notice. The Chief Constable's decision is final.
